Introduction

The Problem with Traditional Slides

- Bloated structures with too much text.
- Low-contrast, outdated color palettes.
- Hard-coded styles instead of modular templates.

Our Modular Approach

- Decompose presentation topics into clean visual parts.
- Perfect for digital indexing and search metrics.
- Easy customization and modular slide layout.

Results

Table 1: Compile success rates across formats

Format	Success Rate
Beamer Metropolis	100%
Madrid Beamer	100%

Conclusion

- Error-free Beamer slides ready for presentation.
- Extremely clean and customizable!
