

Academic Year Wall Calendar

Fall 2026 – Summer 2027

Meridian University • Office of the Registrar

About This Calendar

This twelve-month wall calendar tracks every academic milestone from New Student Orientation through the close of Summer Session II. Each month is laid out as a full grid with color-coded markers for orientation events, exams, breaks, and key deadlines, followed by a compact list of that month's dates. Post it above your desk, in a department office, or in a residence hall common room to keep the whole term visible at a glance.

Dates reflect the official Meridian University Registrar calendar as published for the 2026–2027 academic year. Individual schools and colleges may observe additional deadlines; consult your advising office for program-specific dates.
