

Marcus Reed

CDL Class A Truck Driver

Dallas, TX | (214) 555-0186 | marcus.reed.driver@example.com

Professional Summary

Safety-focused Commercial Driver's License (CDL) Class A driver with 9+ years of over-the-road, regional, and dedicated-route experience. Logged 920,000+ accident-free miles while maintaining a 99% on-time delivery rate. Skilled in Department of Transportation (DOT) compliance, electronic logging devices (ELDs), pre-trip and post-trip inspections, route planning, freight securement, and customer service. Experienced with dry van, refrigerated, tanker, and doubles/triples equipment.

Licenses and Certifications

Texas CDL Class A (active) | Tanker (N), Hazmat (H), and Doubles/Triples (T) endorsements | Transportation Worker Identification Credential (TWIC) | DOT Medical Examiner's Certificate (current) | OSHA 10-Hour General Industry

Experience

Senior Regional CDL-A Driver

Dallas, TX

Lone Star Freight Lines

March 2021 – Present

- Operate a 53-foot dry van and refrigerated tractor-trailer across an 11-state region, averaging 2,700 miles weekly and sustaining 99% on-time pickup and delivery performance.
- Completed 470,000+ preventable-accident-free miles and earned three consecutive annual safety awards through defensive driving, speed management, and disciplined vehicle inspections.
- Use ELD and transportation management systems to document hours of service, fuel, inspections, bills of lading, and proof of delivery with zero logbook violations in the last 36 months.
- Mentor 14 newly hired drivers on coupling, backing, load securement, reefer monitoring, trip planning, and Federal Motor Carrier Safety Administration (FMCSA) requirements.

Over-the-Road Truck Driver

Fort Worth, TX

Blue Ridge Transport

June 2017 – February 2021

- Hauled general freight and temperature-controlled loads throughout the contiguous United States, completing 96% of assigned routes without service exceptions.
- Performed pre-trip, en-route, and post-trip inspections; identified mechanical issues early and helped reduce roadside breakdowns on assigned equipment by 22%.
- Secured loads up to 45,000 pounds using straps, load bars, and blocking; verified seal numbers, weight distribution, axle limits, and shipping documents before departure.
- Coordinated with dispatchers, warehouse teams, and customers to resolve weather, traffic, and dock delays while protecting cargo and appointment windows.

Local Delivery Driver

Arlington, TX

Metro Building Supply

August 2014 – May 2017

- Delivered building materials to 15–20 commercial and residential sites daily using straight trucks and tractor-trailers throughout the Dallas–Fort Worth area.
- Maintained accurate manifests, delivery receipts, mileage records, and daily vehicle condition reports while handling customer questions professionally.
- Achieved a 100% record for cargo claims and preventable accidents over 33 months of city driving, jobsite maneuvering, and liftgate deliveries.
